

Announcements

- A Message To Chapter Members
- ASHRAE COVID19 Resources
- April Speaker Kyle DelPiano
- Technology Awards Program

To Chapter Members: Due to the continuously developing COVID-19 situation, all future events are now considered tentative and updates will be given as information becomes available. Attempts are being made to continue to provide monthly speakers via webinar. Golf outings will be played if determined to be safe. We hope you are all staying healthy!

ASHRAE COVID-19 PREPAREDNESS RESOURCES

Reminder: ASHRAE is continually updating their website to include proactive guidance to help address coronavirus disease 2019 (COVID-19) concerns with respect to the operation and maintenance of heating, ventilating and air-conditioning systems. It provides easily accessible resources from ASHRAE to building industry professionals. Link here: <https://www.ashrae.org/technical-resources/resources>

April Presentation Topic: VRF & Hydronics Systems: A Strategic Comparison

April's presentation will be in **WEBINAR** format

Speaker Bio: Kyle DelPiano - Business Development Manager, Xylem

- Top skills: Building automation, HVAC controls, HVAC
- With Xylem since 2014 and previously a sales engineer at Trane (2008-June 2014)
- Grew up in Salisbury, NC
- Received an engineering degree from Auburn University 2007
- Has two daughters ages 3 and 5
- Created a home brewing system and craft and brew his own beer
- Joined ASHRAE in 2015 and is a member of the Triangle Chapter

Kyle DelPiano & Xylem's Donation to ASHRAE

Last July Kim Mitchell, ASHRAE's Director of Development, and Cleveland's own Dennis Wessel, visited Xylem's location in Chicago. After their visit, Xylem made a substantial monetary as well as equipment donation to ASHRAE for use in the new headquarters building. Kyle DelPiano was instrumental in securing this donation and was even thanked by President Boyce at the Presidential Luncheon in Orlando.

Region V Tech Awards competition

Do you know someone with a great project that they may wish to enter in the Region V Tech Awards competition? Please let us know! The ASHRAE Technology Awards recognize outstanding achievements by members who have successfully applied innovative building design in the areas of occupant comfort, indoor air quality and energy conservation. If interested, more information can be found here: <https://www.ashrae.org/membership/honors-and-awards/technology-awards-program>. Be sure to also click the "sample entries" link at the bottom of the page for samples and submission information.

Applications go to Carl Schultz, carlschultz8@gmail.com and are due by Monday June 2, 2020.
